ACI AGGREGATE TESTING TECHNICIAN Level 1

TRAINING & CERTIFICATION EXAMINATION

The North Texas Chapter of ACI tests for this certification from time to time; these tests are typically on a Saturday. This examination will be at the Hanson Technical Services Laboratory, as shown below.

To prepare for the examination, the certification committee requires preregistration by completing and submitting this registration form. A check for **$850.00** per person must be sent in with the registration form not later than one week before the examination. **There must be a minimum of Five- (5) applicant to hold the test**. This fee covers the cost of the full examination (written and performance) and lunch. In the event you need to retake only one portion of the exam, see for the fee below. Remember that your certification expires five years from the date of your most recent successful examination and you must be re tested before expiration of your current certification to retain it.

Check-in for examination will began 8:00 p.m. An ACI demonstration video will be shown from 7:00 to 9:00 a.m. From 9:00 to 11:00 a.m., the written portion of the exam will be conducted. From 4:00 p.m. to ???, the performance portion of the exam will be conducted. We plan to be completed by no later than 5.00 p.m.

Examinee should bring at least two No. 2 lead pencils, an eraser, and a calculator. The exam requires a working knowledge of the following ASTM Standard Methods or Procedures: D75, C702, C117, C136, C127, C128, C566, and C40. If you have any questions, please call:

Vartan Babakhanian Phone: (972)-260-3646
